INFORMATION FOR ORDERING OFFICES

TyrrellTech, Inc. is the area's leading digital printing and finishing systems company, with unparalleled expertise in areas such as:

- High resolution digital printing output
- Installation, maintenance and service
- Training in the industry's leading graphics software
- Consultation in all facets of printing and production
- All necessary supplies for any digital production application

TyrrellTech's digital printing systems expertise combines the more than thirty years of experience and knowledge of trained and certified technicians on a variety of machines. As a certified dealer for some of the industry's leading equipment manufacturers, TyrrellTech is a one stop shop. Installation, maintenance, service, training, and upkeep are only the beginning of the list of all that TyrrellTech offers to machine owners. A TyrrellTech supported digital system is put into place to output the highest quality finished product that there is. Specifically focused on large format printers, laminators and badge printing sublimation machines, TyrrellTech has a range of expertise to keep all of the facets of your production space up and running effectively and efficiently.

Purchasing a machine through TyrrellTech includes the highest level of training and support that there is. Training will be initially provided in classes at TyrrellTech's location, and support can be continued as needed for your equipment. On site training is available. For all in house production needs, TyrrellTech can help to equip you with the proper equipment, processes and support that you will need to be effective. Our goal is to help you to output high quality work that will have an impact on the visual environment.

SPECIAL NOTICE TO AGENCIES Small Business Participation

Small Business Administration (SBA) strongly supports the participation of small business concerns in the Federal Supply Schedules Program. To enhance Small Business Participation, SBA policy allows agencies to include in their procurement base and goals the dollar value of orders expected to be placed against the Federal Supply Schedules and to report accomplishments against these goals.

For orders exceeding the micropurchase threshold, FAR 8.404 requires agencies to consider the catalogs/pricelists of at least three schedule contractors or consider reasonably available information by using the GSA Advantage!™ online shopping service (www.fss.gsa.gov). The catalogs/pricelists, GSA Advantage!™, and the Federal Supply Service Home Page (www.fss.gsa.gov) contain information on a broad array of products and services offered by small business concerns.

This information should be used as a tool to assist ordering activities in meeting or exceeding established small business goals. It should also be used as a tool to assist in including small, small disadvantaged, and women-owned small businesses among those considered when selecting pricelists for a best value determination.

For orders exceeding the micropurchase threshold, customers are to give preference to small business concerns when two or more items at the same delivered price will satisfy their requirement.

1. SPECIAL ITEM NUMBERS

- a. Table of Awarded SINS

| Special Item Numbers (SIN) | Products/Services |
|----------------------------|-------------------|
|----------------------------|-------------------|

| | |
|-------------|--|
| 50-156..... | Personal and Document Identification Systems |
| 51-503..... | Education and Training Services |
| 51-212..... | Post Copying Finishing Equipment |

- b. Lowest Priced Model Number and Lowest Unit Price; see pages 11-13 of this pricelist for complete pricing details.

- c. Hourly Rates are not Applicable.

2. MAXIMUM ORDER

(All dollar amounts are exclusive of any discount for prompt payment.)

- a. Special Item Numbers 50-156 and 51-212. The maximum dollar value per order is \$350,000.
- b. Special Item Number 51-503. The maximum dollar value per order is \$1,000,000.

3. MINIMUM ORDER

The minimum dollar value of an order for delivery to one destination is \$100.00.

4. GEOGRAPHIC COVERAGE

- a. The geographic scope of this contract for Special Item Numbers 50-156 and 51-212 covers delivery to the continental US and the District of Columbia only.
- b. The Geographic scope of this contract for Special Item Number 51-503 covers Training in the Washington DC and surrounding areas only.

5. POINT OF PRODUCTION

- a. Point of origin for services offered under this contract is Howard County, Laurel, Maryland, USA.
- b. Point of origin for products offered under this contract are Hartford County, Berlin, Connecticut, USA, Bergen County, Rockleigh, New Jersey, USA, and Dane County, Sun Prairie, Wisconsin, USA.

6. DISCOUNTS

Prices shown herein are net (discount deducted).

Block 36: Contractor's Taxpayer Identification Number (TIN): 20-2882884
- b. CAGE Code: 1GCR7

Contractor is registered with the Central Contractor Registration Database.

18. SERVICE AND DISTRIBUTION POINTS

TyrrellTech is located in Laurel, MD.

19. PARTICIPATING DEALERS

There are no dealers or resellers identified to participate in the performance of this contract.

USA COMMITMENT TO PROMOTE SMALL BUSINESS PARTICIPATION PROCUREMENT PROGRAMS

1. PREAMBLE:

TyrrellTech provides commercial services to ordering activities. As a small business, we are committed to promoting participation of small, small disadvantaged and women-owned small businesses in our contracts. We pledge to provide opportunities to the small business community through reselling opportunities, mentor-protégé programs, joint ventures, teaming arrangements, and subcontracting.

2. COMMITMENT:

- a. To actively seek and partner with small businesses.
- b. To identify, qualify, mentor and develop small, small disadvantaged and women-owned small businesses by purchasing from these businesses whenever practical.
- c. To develop and promote company policy initiatives that demonstrate our support for awarding contracts and subcontracts to small business concerns.
- d. To undertake significant efforts to determine the potential of small, small disadvantaged and women-owned small business to supply products and services to our company.
- e. To insure procurement opportunities are designed to permit the maximum possible participation of small, small disadvantaged and women-owned small businesses.
- f. To attend business opportunity workshops, minority business enterprise seminars, trade fairs, procurement conferences, etc., to identify and increase small businesses with whom to partner.
- g. To publicize in our marketing publications our interest in meeting small businesses that may be interested in subcontracting opportunities.

We signify our commitment to work in partnership with small, small disadvantaged and women-owned small businesses to promote and increase their participation in ordering activity contracts. To accelerate potential opportunities please contact Craig Tyrrell, phone (888) 865-0300; fax (888) 865-7610, email craig@tyrrelltech.com.

SUGGESTED FORMATS FOR BLANKET PURCHASE AGREEMENTS

BEST VALUE BLANKET PURCHASE AGREEMENT FEDERAL SUPPLY SCHEDULE (Insert Customer Name)

In the spirit of the Federal Acquisition Streamlining Act (Ordering Activity) and (Contractor) enter into a cooperative agreement to further reduce the administrative costs of acquiring commercial items from the General Services Administration (GSA) Federal Supply Schedule Contract(s) _____.

Federal Supply Schedule contract BPAs eliminate contracting and open market costs such as: search for sources; the development of technical documents, solicitations and the evaluation of offers. Teaming Arrangements are permitted with Federal Supply Schedule Contractors in accordance with Federal Acquisition Regulation (FAR) 9.6.

This BPA will further decrease costs, reduce paperwork, and save time by eliminating the need for repetitive, individual purchases from the schedule contract. The end result is to create a purchasing mechanism for the ordering activity that works better and costs less.

Signatures

Agency Date

Contractor Date

BPA NUMBER: _____

**(CUSTOMER NAME)
BLANKET PURCHASE AGREEMENT**

Pursuant to GSA Federal Supply Schedule Contract Number(s) _____, Blanket Purchase Agreements, the contractor agrees to the following terms of a Blanket Purchase Agreement (BPA) EXCLUSIVELY WITH (Ordering Activity):

(1) The following contract items can be ordered under this BPA. All orders placed against this BPA are subject to the terms and conditions of the contract, except as noted below:

| MODEL/PART NUMBER | *SPECIAL BPA DISCOUNT/PRICE |
|--------------------------|------------------------------------|
| _____ | _____ |
| _____ | _____ |

(2) Delivery:

| DESTINATION | DELIVERY SCHEDULE/DATES |
|--------------------|--------------------------------|
| _____ | _____ |
| _____ | _____ |

(3) The ordering activity estimates, but does not guarantee, that the volume of purchases through this agreement will be _____.

(4) This BPA does not obligate any funds.

(5) This BPA expires on _____ or at the end of the contract period, whichever is earlier.

(6) The following office(s) is hereby authorized to place orders under this BPA:

| OFFICE | POINT OF CONTACT |
|---------------|-------------------------|
| _____ | _____ |
| _____ | _____ |

(7) Orders will be placed against this BPA via Electronic Data Interchange (EDI), FAX, or paper.

(8) Unless otherwise agreed to, all deliveries under this BPA must be accompanied by delivery tickets or sales slips that must contain the following information as a minimum:

(a) Name of Contractor;

(b) Contract Number;

(c) BPA Number;

(d) Model Number or National Stock Number (NSN);

(e) Purchase Order Number;

(f) Date of Purchase;

(g) Quantity, Unit Price, and Extension of Each Item (unit prices and extensions need not be shown when incompatible with the use of automated systems; provided, that the invoice is itemized to show the information); and

(h) Date of Shipment.

(9) The requirements of a proper invoice are specified in the Federal Supply Schedule contract. Invoices will be submitted to the address specified within the purchase order transmission issued against this BPA.

(10) The terms and conditions included in this BPA apply to all purchases made pursuant to it. In the event of an inconsistency between the provisions of this BPA and the contractor's invoice, the provisions of this BPA will take precedence.

**BASIC GUIDELINES FOR USING "CONTRACTOR
TEAM ARRANGEMENTS"**

Federal Supply Schedule Contractors may use "Contractor Team Arrangements" (see FAR 9.6) to provide solutions when responding to ordering activity requirements.

These Team Arrangements can be included under a Blanket Purchase Agreement (BPA). BPAs are permitted under all Federal Supply Schedule contracts.

Orders under a Team Arrangement are subject to terms and conditions or the Federal Supply Schedule Contract.

Participation in a Team Arrangement is limited to Federal Supply Schedule Contractors.

Customers should refer to FAR 9.6 for specific details on Team Arrangements.

Here is a general outline on how it works:

- + The customer identifies their requirements.
- + Federal Supply Schedule Contractors may individually meet the customers needs, or -
- + Federal Supply Schedule Contractors may individually submit a Schedules "Team Solution" to meet the customer's requirement.
- + Customers make a best value selection.

GSA PRICELIST

The following is the pricing included on the GSA Federal Supply Service Schedule Contract. Prices are effective January 2, 2011.

| CLIN | SIN | DESCRIPTION | GSA PRICE | DELIVERY TERMS |
|-----------------|--------|---|------------|--------------------------|
| | 50-156 | Personal and Document Identification Systems | | |
| TTBadgePkg | 50-156 | TTBadgePkg This dye sublimation badge printing machine is capable of printing on credit card size (2.125" x 3.375") PVC blanks. The price includes the ColorByte Pro software. One year warranty except the Print head warranty which is prorated one year. | \$3589.32 | 30 days/or as Negotiated |
| TTMillenniumPKG | 50-156 | TTMillenniumPKG This dye sublimation badge printing machine with short plate is capable of printing from 1" x 3" cards up to oversized blanks (2.5" x 3.7"). |---------------------|--------|---|-----------|--------------------------|
| | 51-503 | Education and Training Services | | |
| Laminator Training | 51-503 | Laminator Training, provided by TyrrellTech, includes instruction in loading, operating and maintaining a laminator. Users will be shown the proper methods for loading and unloading lamination media. Training will include instruction in winding media in the proper direction with the proper tension for optimum output. Users will also be trained in the variety of options available for finishing. There are different applications and uses for each kind of lamination media, as well as tips and tricks that can be conveyed to make the most of each option. Once the lamination media is loaded, users will be trained in how to operate the machine successfully with minimal error and maximum success. TyrrellTech will teach users how to load media and keep it loaded to prevent waste and wrinkles, and demonstrate what speeds are appropriate for each different type of lamination media that can be used. Users will be shown how to safely use and properly care for their machine when operating it | \$496.60 | 30 days/or as Negotiated |
| Millennium Training | 51-503 | Millennium Training, provided by TyrrellTech, includes instruction in machine loading and operation as well as software instruction. Users will be show how to properly create files in the appropriate design software, ready for output. Users will be shown how to edit and size images and text in this software to fit the appropriate substrate size and to print the proper color with the best resolution. TyrrellTech will train users in the proper methods for loading printable cards and color ribbons into their printer, in order to have the appropriate final product. TyrrellTech will pass on tips and tricks for optimum output with this software/printer combo. TyrrellTech will work with users through sample file creation and printing, in order to put the user in control of the software and to familiarize them with the machine. The maximum number of participants per class is five. | \$371.67 | 30 days/or as Negotiated |

User-friendly digital touch pad with variable temperature and speed control accommodates a wide range of applications. Load film easily with the new swing-out supply shafts. Accepts wide-format Arctic® Pressure-sensitive films, Octiva® thermal films and AccuShield® This is a Single phase 230 Volt Laminator (requires a 230 volt outlet). Warranty is 1 year parts, 90 days labor.</p> | \$15,148.92 | FOB Desitnation, 30 days ARO or as negotiated. |
| 2064WF-1 3600263 | 51-212 | <p>2064WF-1</p> <p>Designed to laminate and mount graphics up to 64 inches wide, this system can run thermal and cold finishing jobs consecutively for maximum productivity. Control panels are located on both sides of the unit for efficient bi-directional operation. Safety and versatility are the hallmark of the GBC 2064WF. GBC's new, three-part Advanced Electrical Safety System provides optimum operator safety while allowing maximum control during lamination. Digital display for pressure and temperature eliminates guesswork. Bi-directional productivity allows hot and cold jobs to be run consecutively. Repositionable foot pedal allows hands-free operation. Roll-to-roll applications benefit from an edge roller on the front feed table and a curved trailing edge on the rear feed table. Heat rollers and pull rollers are independently adjustable. With a mechanical roller adjustment, heat rollers are infinitely variable to 1 inch. Pull rollers feature presets to accommodate common board and laminate gauges. High release silicone rollers allow for easy cleaning. Digital display indicates film footage to maximize roll usage. This is a Single phase 220 Volt Laminator (requires a 220 volt outlet). Warranty is 1 year parts, 90 days labor.</p> | \$19,884.43 | FOB Desitnation, 30 days ARO or as negotiated. |

| 3064WF-1 3600264 Falcon | 51-212 | <p>Falcon 3064</p> <p>The Falcon 3064 is the ideal finishing system for maximum control and capability in lamination. Laminate and mount from either side of the unit using the innovative swivel control panel that goes where you go. Bi-directional operation is further enhanced by the repositionable foot pedal and adjustable nip rollers to enable pressure-sensitive lamination and mounting operations immediately following thermal jobs. No need to wait for the rollers to cool down. 64-inch wide bi-directional laminator with 3-inch core and take up motor. Fast laminating at 18 ft. per minute. For hot and cold lamination. This machine has a three quarter-inch mounting gap for applying prints. Warranty is 1 year parts, 90 days labor.</p> | \$26,040.60 | FOB Desitnation, 30 days ARO or as negotiated. |
| 4064WF-1 3600265 Orca | 51-212 | <p>Orca 4064</p> <p>Top-of-the-line finishing system for thermal and cold lamination and mounting of inkjet and photographic images up to 64-inch wide and 1-inch thick. The Orca 4064 utilizes pneumatically controlled roller pressure to improve adhesion. Combined with the large chill idler roller and channeled air cooling system, achieve consistently flat output. You can laminate and mount from either side of the unit using the innovative swivel control panel that goes where you go. Bi-directional operation is further enhanced by the repositionable foot pedal and independently, adjustable nip rollers to enable pressure-sensitive lamination and mounting operations immediately following thermal jobs. No need to wait for the rollers to cool down. 64-inch wide bi-directional laminator with 3-inch core and take up motor. Laminating at 10 ft. per minute. For hot and cold lamination. This machine has a 1-inch mounting gap. Pneumatic pressure adjustments. Warranty is 1 year parts, 90 days labor.</p> | \$31,249.67 | FOB Desitnation, 30 days ARO or as negotiated. |
